We are enjoying a short respite in the events calendar after a busy period during April & early May. Just time to do some tidying & catching up, rejuvenate & gird up our loins ready for the onslaught of the June & July events. Camp at Stockland Lovell proved to be everything we hoped for. Although a large, diverse, group of people attended, everyone got on famously and long term friendships were forged. Wonderful facilities at Stockland Lovell & the pre-planning involved in making the visit a success was appreciated by all.

Sandra & I would like to thank the attendees for the very generous 'thank you' presents we received. My hat was put to immediate use whilst stewarding in the rain at the Area 17 Cross Country qualifier at Rockbourne. It was also much appreciated & much admired whilst canal boating in the rain at the end of April. I am hoping it won't need to make too many appearances before the Winter.

Housekeeping

A note to all competitors, guests and officials at club events – please, please, please, could venue housekeeping rules be adhered to – if there is a notice saying, for instance, no dogs, or one asking that droppings be picked up and haynets kept inside vehicles, then that is what we should do. If we abuse their hospitality, we won't be allowed back in!!!!!! Perhaps a skip or black bin bag could be added to the list of usual items to take to an event so we can leave a venue as we found it?

Castle Farm

If you are attending any event at Castle Farm please drive slowly past yard & indoor school entrance.

Inter Club Teams Competitions

If you meant to send your team application form back to Susie Pool and didn't get around to it, but would really like to have a go please call Susie (01980 671523). There may well still be the opportunity for you to take part. Return your application form or call Susie **NOW!**

Forthcoming Events

BVRC One Day Event at Knighton Down, Larkhill on Sunday 8th June 2008 (schedule sent out earlier)

Classes are already filling for this very popular event. We are restricted to the number we can take and entries will close once that number is attained even if it happens before the closing date. Entries will be processed on a first come first served basis. So get your entries in asap. We would hate to turn anybody away because the classes were full.

Helpers are needed in abundance, both on the preceding morning, at 10am, to set up, on the day itself and to clear up at 4pm. If you can help, then please ring Lindsay (01264 772388), email: chairman@bvrc.co.uk or fill in the attached reply slip to offer your services. If you have received a fence judge appeal letter please respond even if you can't help. This saves us time and saves you from being harassed by us, to come and help.

BVRC Show Jumping – Castle Farm, Over Wallop on 29th June 2008 (schedule sent out earlier)

After the success of our Show Jumping competition in March we are returning to Castle Farm for a repeat performance in June. The competition & warm up are on all weather surfaces, one indoor & one outdoor. Jumping classes will be run at heights from 2' 3" to 3' 3", with clear round jumping at 2'. Demonstration - 'How to ride a Dressage Test', Thursday 26th June 2008, 7pm, Cholderton House

EC

We are holding another of these very useful instructional sessions, which aims to give an insight of how to correctly ride a dressage test, concentrating on permitted tack & dress, what the judge is looking for & how to ride the movements accurately. Elizabeth Peerless will demonstrate and provide advice and answer any questions you may have.

Costs £3 members, £5 non-members (juniors welcome). Payment on the night. Please let Sandra (01264 396390) if you would like to attend.

BRC Area 17 Novice, Intermediate & Open Horse Trials Qualifier, Sunday 13th July at Knighton

Down, Larkhill. (schedule sent out in earlier)

Clubs within Area 17 take turns to organise Area qualifying competitions. Guess what? This year it is our turn. Having been very critical about last year's organisation, I got the job. Enlisting the help of the New Forest RC, Meon & South Wilts RC to run the Dressage & Show Jumping phases on the day and requiring other clubs, sending teams, to man the Cross Country fences,

Although the bulk of the manpower will come from other clubs in the Area and we will not require help on mass, needless to say we will need help with trailer & caravan towing and setting up. If you are able to help then please call Helen Nash-Steer (towing Tel: 07719 476576 / email: hjnashsteer@onetel.com) or Lindsay Hills (01264 772388).

In addition to the qualifying classes we are able to run classes for everyone at 2'9", 3'3" & 3'7" (85cm, 1m & 1.10m). If you don't feel ready or able to take part in the team competition, but still want to have a go then please get your entries in asap. There will be a very limited number of spaces in the classes at each height, so don't leave it until the last opportunity.

BRC Area 17 Training Day with Adrian House BSJA Course Builder at Braishfield, Nr Romsey, Thursday 17 July, 6.30p.m

Adrian House will talk to us about Show Jump course design and building. This will take place at Braishfield, Nr Romsey on Thursday 17 July, starting at 6.30 p.m.

Adrian is a BSJA Judge and Median Course Designer. This year he was assistant course designer at Badminton. Some of you will also know him as the BRC Stable Manager at Lincoln. He will talk about what can be done and what cannot be done in SJ course design. Essential for budding course designers and riders.

This event is for members of Riding Clubs in Area 17 and is free of charge. More detailed directions will be supplied later, but the venue will also be signposted with BRC signs.

Please let Sandra know by Wednesday 9th July if you wish to attend.

On Saturday 19 July, Chilworth Riding Club will organise and run an Open Show Jumping show using the courses designed and built on the Thursday. More details to follow.

BVRC Dressage Competition at Castle Farm, Over Wallop on Sunday 20th July 2008 (schedule sent out)

Our Annual Dressage Show will be run at Castle Farm. This time we will be using two all weather arenas (one indoor & one outdoor) for the competition with warm up on grass. With several classes, there should be something for everyone. Please get your entries in promptly.

Organiser Rosie Mathias (01264 738889) would welcome your call with offers of help, if you are not riding.

BVRC - 'Horses Inside Out' Demo, Saturday 18th October, 7pm at Cholderton EC

Many of you will have seen the article in the British Riding Club magazine last year about Gillian Higgins and her horses. Gillian uses her striking grey horse as a model and paints onto him the equine muscles and bones using his white coat as a dramatic background. Whilst lunging him, she is then able to demonstrate his movement and the correct way of going. More details & fascinating pictures are available on www.horsesinsideout.com.

We are very excited to announce that we have invited Gillian to come along and give the club a demonstration on October 18th at Cholderton Equestrian Centre. The demonstration will be open to members and non-members. Please make a note of this date in your diaries now and tickets (available shortly) will be strictly limited, so apply early. More details to follow in the next newsletter & at our events.

Organiser: Gill Young (01980 629575)

Winter Show Jumping – Castle Farm, Over Wallop, 30th March 2008

Thank you to everyone who turned out to help on the day and setting up on Saturday afternoon. Setting up and the following show jumping judging training was quite chilly and we were all wondering how wet we were going to get the following day. The answer – not at all! What a glorious spring day! I think that nearly everyone was able to enjoy a lovely day, soaking up the sunshine and jumping on the wonderful surfaces of the indoor and outdoor schools at Castle Farm. Our thanks must also go to Carole Glover for allowing us to use her excellent facilities and providing us with tasty sustenance throughout the day. Entries were a little lower than previously – we can never work out why(!) – but plenty enough to make it a worthwhile day. The only mar to the day was when poor Jo Rolfe lost her horse, who had broken free from the trailer and instead of mooching round the farm with all the horses made off into the distance. Thankfully, she was caught safely on the A343 having narrowly missed being hit by 2 cars. A huge relief to all concerned. Particular thanks to those who helped in the pursuit, especially Sarah Butler who as well as giving Jo a lift in her car, also kept me informed by mobile phone.

CARRY ON HORSE-CAMPING (Stockland Lovell)

(by Mickey owned by Rachel Holland)

Gosh, she's walking down the field with the head collar stuck up her jumper again thinking I don't know what she's up to, but she is here earlier than normal so something's up. I had my new shoes and teeth done last week and I've been jabbed for the year. She looks like she hasn't slept for a week either- WE MUST BE OFF TO CAMP.

Two and half hours later we stop. I guess this is Camp. What is she doing now? Where is she going? I'm just a horse looking for an easy life and she's taking me off somewhere now ooh, look at this! I quite like these American barn things. I hope I've got a big stable and what's the hay going to be like here? Don't want any of that cheap stuff. Did she really need to bring all that stuff? But hey, she's doing a good job making my bed. What a turn up – she's showing signs of being stable proud. Bet that won't last.

First lesson already: all tacked up and ready to go. Oh no she's chatting again. Does she ever stop chatting? There's a few others here now. Hmm, bit small some of them. Oh, that one looks nice. Let's get going then. Ever decreasing circles; where's Richard Briers, I want to know. Now, when do we get onto some jumping I'd like to know. Must have done alright – got a polo mint from the instructor. We like her – we all got one!

Goodness, still more arriving. It's a popular thing this camping now, very fashionable. Lots to watch though and I've got a good vantage point from this stable. Oo-er look at that – what a posh rug. Perhaps I'll add that to my Christmas list. What time's tea round here? Oh, but the grass is good – very fish and chips style grazing.

I hope she doesn't eat too much tonight - lasagne sounded a bit too good for camping, and she's not the best after a couple of drinks either. All that talk about food, I'm feeling a bit peckish now. I'll just have a little dip into my feed bucket. Uh oh here she comes, checking up on me. I've been caught out helping myself to a bit more tea – she is a bit tight on portion control here considering all the work we're doing out there.

Everyone slept well in the American barn, and general agreement that the hay and haylage is superb. Actually, we have to admit these facilities and the organisation is rather fab, though why can't the mums use their own facilities rather than grabbing a quick wee in OUR stable!

DAY TWO - TUESDAY

Oh my What time is this? And WHAT does she look like? I've never seen her at the stable in a dressing gown OR as early as this. Either she's worried or excited. Bit early to start the day though. Feels like we're in a different time zone - I usually see her about 4 pm. But here we go. First lesson of the day is gridwork. Fantastic fun.- "bounce, bounce, stride, stride, spread". I like this and managed a few handbrake turns at the corner. Lead horse or what!

Then it's on to cross country. What a collection we are – the biggest, the smallest, the eldest and the coloured. I suppose we have to start with tiny jumps for the smaller ones. Trip hazards or what! No point making an effort for those. And we had a lady with a funny accent telling my mum I needed brakes. I like going fast! Splashing through the water jump was great fun and then into the play field. Ooh life is good when there's jumping to be done. If only my mum had more nerve we could go for the big ones does she not realise I am over 17 hands and can go over the big ones.

Time for cake and tea and abit of grazing for me. Roast pork will finish her off tonight – everyone's early to bed. Joy still sharpening her teeth on the metal bars – she must've been inside for sometime!

DAY THREE – WEDNESDAY

Well at least there's no repeat of yesterday. She doesn't appear til 7. We all had a lovely rest and so did the mums in their single beds in the portacabins. Good showers though and the heater on full. Good start.

Hacking round the cross country course to begin the day – seems a bit of a waste just looking at those jumps and being nannied around by a four year old foreign horse, Manny! Still he needs the schooling so that's good. Time to enjoy the view - could even see Minehead. More good grazing and time to watch people do some other stuff.

Schooling and flat work scheduled for the afternoon. Despite my mum's best efforts, my pirouette into canter didn't work. Our advanced level dressage needs a bit of working on but Clarity did very well showing everyone how it should be done. Still, got time for some more grazing before tea.

What a night! Those mums were SO competitive for Quiz night. Interestingly their best section seemed to be the food and drink, though the horse picture section needed more homework. And as for general knowledge ... Well done to Sandra, Lindsay and their team for winning – fixed or what?

DAY FOUR – THURSDAY

Last day and one last ride. Everyone's shattered here. Celia managed a spectacular cartwheel fall – some people will do anything for dramatic exit! Lots to pack up and time to head home, saying goodbye to friends hoping to see them soon at the next BVRC event!

My mum reckons the highlights were the organisation, the lessons, instruction, food and accommodation. Plus the lack of mobile phone signal was an added bonus. All she wanted by the end was a long soak in the bath. I can not wait till she puts all that information into practice and we go to the next competition together.

Camp was a real team building exercise – AND WHAT FUN!

NOVICE SHOW 12TH APRIL 2008

The Novice Show was as popular as ever. The calm relaxed atmosphere encouraged some more experience riders to join the novice riders give their young horses an introductory outing.

Torrential rain punctuated the beginning & end of the afternoon, making a tricky start and mucky, soaking, packing up period. Some horses exhibited early season jitters and couple of riders hit the deck, but calm was soon restored. Well done to Rosie & thanks to all her helpers for a successful enjoyable event.

Spring Dressage – Amport on 27th April

Despite the formidable weather forecast the Spring dressage event at Amport was blessed with sunshine for the vast majority of the day and the promised thunder storms steered a more northern route away from us. Entries were up on last year and it was pleasing to see many competitors taking advantage of trying a new test in the long arena. As with all the events run by BVRC it is only due to the invaluable volunteers so a very many thanks to everyone involved with the event and in particular to Richard Hale so kindly allowed us use of Amport.

AREA 17 CROSS COUNTRY QUALIFIER SATURDAY 19 APRIL 2008 – TENENTRY FARM, ROCKBOURNE

During any other term I would be playing a rugby or hockey match for Dauntseys School. However summer term is different; the focus is principally on riding. On Saturday 19th April the area Hunter Trials took place at Tenentry Farm in Rockbourne. The competition being on a Saturday meant complications arose. Still being at school means a half day of lessons; while most of you adults have a full weekend to relax, we are working hard (parents take note - this is why many of us are too tired to do homework on weekend). After finishing double History at 12.45pm a brisk run was needed to collect my clothes and keys to drive 45 minute to Tenentry. With my exuberant driving skills I was able to arrive in 30 minutes and still manage to get petrol on the way!

The next task was to walk the course. Because of the short period of time I had to prepare there was no time to have lunch and therefore had to run around the cross country course on an empty stomach. At this point I would rather be in a torrential downpour at the bottom of a ruck during a rugby match! With the panic and rush I almost missed two fences out which would not have boded well with mother if they were skipped!

After the frantic course walk it was time to ride. Sleevie (my horse) was rather lively during the warm up; lots of trotting sideways and cantering on the spot. He obviously knew what was happening! Finally we were off at 3.02pm. The first half of the course was flown over and it was only until the corner complex that complications arose. A note of advice do not approach this fence with speed! Adopting a vivacious style of riding and lots of tight turns I was able to negotiate the obstacle with out a refusal. The rest of the course was rather uneventful in that everything was jumped perfectly – all the credit going to Sleevie of course; he is a magnificent machine when it comes to crossing the country! In the end the team was unfortunately eliminated however I ended up coming 8th (22 seconds over the optimum time) in my first competition for the riding club.

I would like to take this opportunity to thank my mother for all the background preparation she does, with out her I would not have had the opportunity to compete full stop! Also I would like to thank Susie Pool and Lindsey Hills for the tiresome and often unacknowledged work they do in the running of the club and competitions.

I thoroughly enjoyed my first riding club event and my riding club career is far from over. I hope to compete in the open ODE national qualifiers in July!

Matt Young

Footnote: Thank you to club members who helped at Rockbourne in order that our teams could compete.
