What a great start we have had to the year, with four competitions already under our belt. The two events held at Hoplands had the maximum number of entries we could cope with. Novice competitors enjoyed a relaxed afternoon at Amport as did those who attended the Spring Dressage Show at Larkhill.

We are now bracing ourselves for five competitions between now and the end of July, including hosting a BRC Area 17 qualifier. In this period we are also participating in other BRC Area 17 qualifying competitions. It is going to be a busy three months. So that we don't neglect the non-competitive members we have organised a demonstration from Claire Lilley in July and have one or two other events planned.

### Forthcoming Events

#### **BVRC Combined Training Sunday 15th May 2005** (schedule sent out in April)

This event is to be held at Knighton Down, Larkhill. Although entries are closed for the dressage classes entries for Show Jumping will be welcomed on the day. This particular event requires a veritable army of helpers as both dressage and show jumping are involved. Help is required both on the day and to set up the day before. Please ring Sandra Groves 01264 395277 to fill one or more of the jobs. If you are not competing, please help on the day, and if you are, please consider helping on the day before or, for those competing in the later classes, consider the possibility of helping to pack up – don't forget, those involved for most/all of the day, still have their horses to look after when they get home! Don't forget, too, that all helpers accumulate points for the Caballine Cup at the end of each season – for some of us it might be the only rosette we earn!!!!

#### **Area 17 Dressage to Music Qualifier on 30<sup>th</sup> May at Cedar Stables, Medstead.**

Individual and pairs Dressage to Music qualifying competitions are being held, as usual, at Cedar Stables. Liz Potter and Folkin Clarity are our sole representative in the individual class. Tracy Smallbones and Liz Davies are contesting the pairs for the second year running. The winners qualify for BRC National Championship which are held at Addington in October. Dressage to Music classes are very entertaining and in our Area are always hotly contested. Sarah Loveday-Lovell from Area 17 is the reigning Dressage to Music champion. If you are interested in supporting our members then please call Susie Pool 01980 671523 for more details.

Please note that there are many other non-qualifying dressage classes being run on the same day.

#### **BVRC One Day Event at Knighton Down, Larkhill on Sunday 5<sup>th</sup> June 2005** (schedule sent out in April)

Classes are already filling for this very popular event. We are restricted to the number we can take and entries will close once that number is attained even if it happens before the closing date. Entries will be processed on a first come first served basis. So get your entries in asap. We would hate to turn anybody away because the classes were full.

Helpers are needed in abundance, both on the preceding morning, at 10am, to set up, on the day itself and to clear up at 4pm. If you can help, then please ring Lindsay (01264 772388) or fill in the attached reply slip to offer your services.

If you receive a fence judge appeal letter please respond even if you can't help. This saves us time and saves you from being harassed, by us, to come and help.

**PLEASE NOTE: Class 2 dressage test should read BD Prelim 12 (2005) not (2002) as printed in some schedules.**

**EQUISHOP Equestrian Store, Wilton** are supplying vouchers to the best BV members in classes 1 & 2 of the ODE. Please help the club to show their appreciation by supporting EQUISHOP. They have a vast range of goods for horse and rider, from well known manufacturers - Mountain Horse, Pikeur, Toggi, Musto, Harry Hall, Caldene, Horeware, Jack Murphy, Loveson, Tagg, Rodney Powell, Charles Owen, Champion, Rhino, Ariat etc.. As normal there are classes from 2'3" to 3'3" following clear round at 2'. Come and join us at this superb venue.

Sue Fentiman (01264 391550) would welcome a call from anyone willing to help on the day.

## **TOWING**

We are entering the busiest part of the club year for competitions. We need to move trailers and caravans to and from competition venues. Without them we are unable to run our events. If you are able to help with towing, then please call Helen Nash-Steer 01980 847407.

## Inter Club Teams Competitions

Our club is one of twenty designated to British Riding Clubs Area 17. Geographically the area covers the central south of England, stretching from Petersfield in the East to Blandford and Purbeck in the West & includes the Isle of Wight. Our club sits on the northern edge of the area.

Each year inter club team competitions are organised in Show Jumping, Horse Trials and Dressage. The winning teams and individuals from these competitions and from all other Areas around Great Britain go forward to National Riding Club Championships at the end of the summer.

The Horse Trials Championships is held at Offchurch Bury, Nr Leamington Spa between 5<sup>th</sup> & 7<sup>th</sup> August. The Novice Championships becomes a 2 day event including roads & tracks & steeplechase, and the Open Championships is a full 3 day event. The Championships for all other events will be returning to the Lincolnshire Showground on Saturday 10<sup>th</sup> September.

The Area team Qualifying competitions this year are as follows:

<b>Open Team Dressage</b>	each team member rides a different test (Novice 24, 25 & 32 & Elementary 51)
<b>Individual Medium Dressage</b>	(Medium 74)
<b>Pairs Dressage</b>	BRC Pairs (2004)
<b>Riding Test</b>	(two members to ride test RT6 & and two ride RT8)

Teams comprise four members, with the best three scores accrued to give the team total.

There are two main requirements for members wishing to take part in the above competitions.

The horse must be owned by a BVRC member or a documented long term lease agreement be in existence.

The horse must have valid up to date Flu Vaccination Certificate, which must comply in every respect to the rules shown below.

There are some restrictions in the eligibility of horses and riders for the various competitions. If you wish to be considered for a team place in any of the competitions, please fill in and return the attached team forms to Susie Pool, together with two photocopies of the horse's Flu vacc certificate (one copy for each competition for which you would like to be considered + one extra for Susie). **Please make sure you copy every section (front, back & middle) of the certificate – including the name & address of the owner, the horse's name, silhouette, markings & every single vaccinations entry.**

The forms should be returned by **Wednesday 25<sup>th</sup> May for all competitions.**

**ONCE YOU HAVE RETURNED YOUR FORM PLEASE LET SUSIE KNOW IMMEDIATELY IF YOU ARE NO LONGER AVAILABLE.** The team competitions cost the club a lot of money, which we do not want to waste.

The team selection policy is as follows:

On the basis of the response to the team forms, a decision is made about how many teams to enter. Details of how many teams and individuals we want to enter are sent **with an entry fee** to British Riding Clubs (in early June).

Anyone applying for team places will be notified by the early/middle of June if their application has been successful.

Entries detailing who is in which team is sent to the Area Competition Organiser (**with another entry fee**) about 7-10 days before the competition is held. The club pays all entry fees to Area competitions.

Selection for team places is based on performance at club competitions or other known events.

It is normally the case that, subject to eligibility, anyone keen to take part will be offered the opportunity to ride for the club.

The area competitions are great events giving us the opportunity to meet and compete against other clubs in the area and participate in a team environment. We want to encourage any one interested to have a go, but in the event of teams or individuals qualifying to go to National Championships, we need to know in advance if you are prepared to go the Championships.

There may be many reasons why you can't or don't want to attend the Championships. It will not stop us asking you to represent the club, but it may just affect who goes in which team.

If you think you would like to have a go but are not sure then ring Susie (01980 671523) for a chat. Otherwise, even if you stated on your membership application that you were interested in teams, please fill in and return your forms.

**PLEASE READ ON FOR DETAILS OF THE FLU VACC RULES.**

**PLEASE READ THE FLU VACC RULES SHOWN BELOW AND MAKE SURE YOUR HORSE'S Certificate COMPLIES WITH THE RULES IN EVERY RESPECT.**

**Equine Influenza - Valid Certificates – Vaccination procedures**

Each horse must have a valid vaccination certificate, which undeniably relates to that horse, completed, **signed and stamped** on each line by a veterinary surgeon, who is not the owner of the animal. It must state that the horse has two injections for primary vaccination against Equine Influenza given no less than 21 days and no more than 92 days apart. (Only these two injections need to have been given for the horse to compete). In addition a first booster injection must be given no less than 150 days and no more than 215 days after the second injection of the primary vaccination. Subsequently, booster injections must be given at intervals of not more than 1 year apart, commencing after the first booster injection. None of these injections must have been given within the **preceding 7 days**, including the day of the competition or entry into competition stables.

Horses foaled before 1<sup>st</sup> January 1980 need not have had the first booster injection (no less 150 days and no more than 215 days) after the second injection of the primary vaccination – but must have had an annual booster (given within 12 months) thereafter.

**Winter Show Jumping – Hoplands EC, Kings Somborne 20th March 2005.**

This must rank as the most successful club show jumping for a long while. Pre-entries were almost at capacity, leaving us wondering whether we should accept more on the day. Not too many people turned up on spec, so everyone was accommodated. The weather was just about perfect. Although it wasn't as sunny as forecast, this was a bit of a relief to helpers adjusting the course, because in the past sun reflecting off the white sand had a strong resemblance to the desert. Everyone worked hard to keep the competition flowing and avoid long delays and waiting around. With 30 to 45 riders in each class we still managed to finish in good time – well before dark!. Thanks to Sue and all her helpers for a very successful day.

**Visit to Greatwood Thoroughbred Rehabilitation and Re-homing centre** on April 16<sup>th</sup> at Clench Common, near Marlborough.

31 members, family and friends attended the visit to this home for retired and rescued racehorses. The majority of horses had just been roughed off for 24 hour turn-out, which meant we could observe them interacting in the fields and see each of their personalities. The geldings were happy to greet us where as the few mares they have seemed happy to lie down and sleep - once food had been ruled out. We were told about each horse in detail; it's racing career, previous attempts to re-home and, if that individual was ready for re-homing, which sphere it could be aimed at, from happy hacking to eventing.

We met 'Dessie' a horse who had been acquired by his previous owner via a 'free horse' advertisement on the internet. The report of how he was almost walking on his pedal bones, in obvious agony and almost emaciated touched us all; and yet he was relaxed and pleased to receive our attention – if rather attracted to some coat buttons! We heard of less fortunate horses that arrived in such a diabolical state of starvation that despite the centres best efforts they were unable to be saved. The photographs were literally tear-jerking. The apparently self-appointed stable star, top staying hurdler Deano's Beeno, put on an appropriate show although he was happy to accept handfuls of grass when the charity's founder, Helen Yeadon, wasn't looking!

A total of £177 was raised for the charity. If you have any old rugs, tack, grooming equipment etc. they will gladly take it in any condition, e-mail [schedules@bvrc.co.uk](mailto:schedules@bvrc.co.uk) or ring Pip on 01264 889949 to arrange collection.

Details of the Celebrity Open Day, planned for later this year, will be published, and another club visit organised for that day.

**P.S. A coat was left at the centre, if it belongs to you please contact Pip as above.**

## BVRC Novice Show Saturday 9th April at Amport Riding Centre.

Entries were very slow coming in, leaving up wondering if one dressage judge would suffice. The close of entries day produced another 20 competitors, together with those who arrived on the day, meant numbers were at a good level. It is an organiser's nightmare when entries all appear at the last minute! The novice competitors all appreciated the quiet calm atmosphere in what was for some their first dressage test ever or first for a very long time. The equally relaxed jumping also gave the nervous confidence and hopefully they will feel ready to join us at one of open competitions. Thanks to the Burtenshaw family from Brocks Farm for sponsoring the show.
